

# Impact of Interculturalism on Research

A symposium to explore the impact of culture and diversity on Research – the way research is approached and the outcomes from it – and how experience of multiple cultures or an intercultural group can make a difference

This symposium will celebrate the upcoming conferral of an Honorary Degree of Doctor of Science to **Professor Kohei Uosaki**, who has been an advocate of international collaboration throughout his career.

<b>Speakers:</b>	<b>Topic:</b> (to be confirmed)
Prof Kohei Uosaki	TBA
Assoc Prof Gerry Redmond	How working with children and scientists shapes research
Assoc Prof Rob Phiddian	Culture-what is it?
Prof Amanda Ellis	Diversity (culture and gender)
Dr Vanessa Thompson	Differences in interculturalism among research groups
Dr Greg Simpson	Indigenous Policy

**When:** 9:15 am, October 1, 2015
