

RED Hub 2023

	Participants
January	
CMPH Summer Awards	
February	
GRANTS: ARC Discovery Projects - one pager and peer review	EM S
GRANTS: NHMRC Investigator scheme - one pager and peer review	EM S
NETWORKING: Coffee Catch-up (twice-yearly)	P
March	
GRANTS: NHMRC Ideas - one pager	EM S
NETWORKING: Speed dating with CMPH Researchers	H P EM S
GRANTS: NHMRC Ideas - Innovation & significance statements	EM S
HDR: Online Q&A and coffee catch ups (alternating monthly)	H P EM S
RRT: Building industry/external partnerships	H P EM S
April	
HDR: New HDR Welcome (April and August)	H
GRANTS: NHMRC Ideas - small group mentoring/review	EM S
MENTORING/WELLBEING: Staying well in your research workshop	H
MENTORING/WELLBEING: mentoring/peer support activity	P
HDR/NETWORKING: Speed Dating – HDR only	H
May	
WORKSHOP: Building Research CV and Track Record	H EM
RRT: Supervision upskilling	H P EM S
NETWORKING: Speed Dating – Flinders Foundation with Donors	H P EM S
June	
RRT: Supervision – supporting students through difficult times	H P EM S
MENTORING/WELLBEING: Equality in supervision	H P EM S
GRANTS: Seed grants – one pager	EM S
NETWORKING/MENTORING: Speed Dating – HDR/ECA with Senior Mentors	H EM
July	
GRANTS: Seed grants – small group mentoring/review	EM
WORKSHOP: Researchers and Industry	H P EM S
GRANTS: HDR Small Grant – writing session	H P EM S
HDR MENTORING/WELLBEING: Planning life after your PhD	H
MENTORING: HDR Mentoring catch up	H
August	
Research Student Recruitment Event	H P EM S
GRANTS: ARC Future Fellowships – benchmarking	H P EM S
RRT: ARC for medical researchers	H P EM S
Professional Research Staff: Trade display	H P EM S
GRANTS: ARC - Medical interest statement	H P EM S
September	
WORKSHOP: Career pathways	H EM
GRANTS: ARC - Crafting impact statement	EM S
October	
GRANTS: ARC: Future Fellowships and DECRA - one pager	H P EM S
GRANTS: ARC: Future Fellowships and DECRA - small group mentoring/review	H P EM S
MENTORING/WELLBEING: Being a Strategic Researcher Workshop	H P EM S
RRT: Social media for Researchers	H P EM S
November	
MENTORING/WELLBEING: End of year mentoring/peer support catch up	H P EM S
December	
Summer scholarships welcome	

RED Hub 2023

RED Hub offers a wide range of professional and personal development and training opportunities for our researchers, including Honours and HDR students, early and midcareer academics, senior academics, professional research staff, and rural, remote and Indigenous students and academics.

Strategic priorities

Researcher Development, Mentoring and Wellbeing

Research Communication and Collaboration

Grant writing and grant strategy

Attracting Students to research

Strategic objectives

- Assisting researchers of all levels with career pathway planning to ensure they have the skills and knowledge to succeed
- Improving the quality of supervision across all levels within the college
- Leadership and supervision capacity building
- Providing tools to communicate research impact and encouraging effective self-promotion
- Networking across the college
- Strategies to build National and International collaborative networks
- Strategies to collaborate with industry
- Grant writing development across all researcher levels
- Engaging researchers with review processes
- Promoting placement, Hons and HDR projects.
- Retaining top undergraduate students.
- Encouraging the next generation of researchers.

Initiatives

- One-page peer review sessions and small group mentoring for grants
- Benchmarking
- Crafting impact statements
- HDR Grant writing development session
- Writing Medical interest statements
- Leadership training: strategies for committees
- Planning life after your PhD
- Equality in supervision
- Building CV and Track Record
- Supervision upskilling
- Being a Strategic Researcher
- Speed Dating
- Building industry/external partnerships
- EMCA: Industry panel
- EMCA: Career Pathways
- Using social media
- Research Student recruitment event
- Summer Awards
- High School outreach
