

Flinders Disability and Careers Services invite you to

Pathways Beyond Uni

Monday 30th September

The Studio, behind Grind and Press see [campus map](#)

11am – 3pm

FREE lunch

A career workshop for students who have a medical or mental health condition, or disability. Build your confidence and give yourself an edge when looking for employment now or after graduating.

- Graduates share their personal stories of how they have managed / are managing their condition or disability in the workforce.
- Current employers and employees offering insights and advice for employment
- Addressing Disclosure: what, when, how and why
- Career Planning- within the context of disclosure and a focus on building employability, self-marketing and maximising opportunities

[SECURE YOUR SPOT HERE](#)

Email disability@flinders.edu.au with access and/or dietary requirements by 21/9.

See you there,

Disability and Career Services
