

batyr online event

navigating tertiary students' mental health in 2020

FREE live streamed event in partnership with the International Convention Centre

You're invited to join educational leaders, peers and special guests for an interactive and engaging session as we explore new ways to promote positive mental health conversations within tertiary institutions now and in a post-COVID-19 world.

Tuesday 16th June | 4:00-5:30pm AEST

What's involved?

- Hear from a young person about their story of hope, courage and resilience
- Participate in a live Q&A with a panel of mental health experts and education leaders
- Experience first hand how batyr's new digital peer-to-peer offering works
- Connect and learn from peers about challenges and practical solutions

Wherever you are, you're welcome to join us for this jam-packed and interactive live streamed session.
